

## EU DECLARATION OF CONFORMITY

20 December 2018

“WEEE” Directive 2012/19/EC [Waste Electrical and Electronic Equipment]  
“RoHS” Directive 2011/65/EU [Restriction of certain Hazardous Substances]

**Scope:**

All POWERVER Power Conditioners.  
All POWERVER Uninterruptible Power Managers (UPM).  
All POWERVER Security II UPM (Rackmount, Medical, Rackmount Medical)  
All POWERVER Uninterruptible Power Supplies (UPS)  
All POWERVER ManageUPSnet adapters.  
All POWERVER Mobile Power Managers (MPM)  
All POWERVER Ground Technology Solution Products (GTS)  
All POWERVER Sinergy III Products  
All POWERVER 3 phase Uninterruptible Power Supplies (3200 series)  
All POWERVER Power Probe (PP115)

The objects of the declaration are expected to be in conformity with RoHS III 2015/863/EU. Our due diligence to confirm this 2015/83/EU conformity is not expected to complete until the end of 2018, which is well before the compliance implementation date of July 22, 2019.

The objects of the declaration in the scope described above are in conformity with 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.
