EU DECLARATION OF CONFORMITY

22 April 2021

“WEEE” Directive 2012/19/EC [Waste Electrical and Electronic Equipment]
“RoHS” Directive EU 2015/863 Directive 2011/65/EU [Restriction of certain Hazardous Substances]
“Electromagnetic compatibility and low-voltage” Directive 2014/35/EU.

Scope:

All POWERVAR Power Conditioners.
All POWERVAR Uninterruptible Power Managers (UPM).
All POWERVAR Security II UPM (Rackmount, Medical, Rackmount Medical)
All POWERVAR Uninterruptible Power Supplies (UPS)
All POWERVAR ManageUPSnet adapters.
All POWERVAR Mobile Power Managers (MPM)
All POWERVAR Ground Technology Solution Products (GTS)
All POWERVAR Sinergy III Products
All POWERVAR 3 phase Uninterruptible Power Supplies (3200 series, 3300 series)
All POWERVAR Power Probe (PP115)
All POWERVAR Security Plus II series
All POWERVAR Linearity series

Based off the responses that we have received from our supply base and to the best of our knowledge AMETEK Powervar declares the all above mentioned products (except VRLA battery) meet the requirements of ROHS III Directive (EU) 2015/863 and Directive 2011/65/EU.
